Terra-Cotta Army
Terra-Cotta Discovery

• The 2000-year old Terra-Cotta was first discovered on March 29, 1974, by farmers digging wells.

• If the diggings were off by 1.5 feet, they would have missed the entire Terra-Cotta!
Dragon King – China’s First Emperor

Dragon King built the Terra-Cotta Army so that he could feel safe even in death.
The Terra-Cotta Army
The Dragon King wanted to enjoy, even in death, what he could enjoy while alive.

Colored Terra-Cotta

• The Terra-Cottas are colored when first excavated.

• The color disappears in three days when exposed to oxygen.
